ASP Staff Message

Welcome Powers-Ginsburg Families!

We are so excited to have the opportunity to serve you and your children in ASP. Your child can participate in several activities, enjoy snack, and receive homework help. We will be providing your child with the opportunity to learn skills in writing, language, math, sports, social development and much more.

One of the most exciting things about our program is we will be having 4 different enrichment programs during this school year for our kiddos.

For first quarter we have **Fresno Metro** which will provide different lessons for our children. Our 4th -6th graders will be learning how to cook and our TK – 3rd will be learning how to develop a garden.

Extended Learning

Department Message

Welcome Back! The Fresno Unified Extended Learning Department is tasked with providing opportunities outside of the traditional school day for students to receive additional support in academics and personal enrichment. We are excited to serve your child in the after-school program for the 2023-2024 academic school year.
